Redux  
RTK Query  
GraphQL/REST APIs  
JavaScript/Typescript  
Firebase  
Unit Testing/Jest

## EDUCATION

### BACHELOR OF SCIENCE

University Of Karachi,  
Karachi  
2018

### MBA

University Of Karachi,  
Karachi  
2023

## ABOUT ME

Results-driven Integration Lead and Senior Mobile Application Developer with 6+ years of experience in React Native development. Expertise in API integrations, state management (Redux, RTK Query), unit testing (Jest), and team leadership. Proven track record of delivering scalable, high-performance applications while collaborating with cross-functional teams. Seeking to leverage technical and leadership skills in a challenging role in Dubai.

## WORK EXPERIENCE

### SENIOR MOBILE APPLICATION DEVELOPER

SEP - 2023

DU, Dubai

- Lead integration efforts for mobile applications, ensuring seamless data flow and communication between systems.
- Design and implement GraphQL and RESTful API integrations using RTK Query for efficient data fetching and caching.
- Manage app releases, including coordinating prerequisites, ensuring smooth deployment, and addressing production defect fixes.
- Maintain high coding standards, ensuring clean, well-documented, and efficient code.
- Conduct code reviews to uphold codebase quality.
- Optimize app performance by implementing best practices, reducing memory usage, and improving loading times.
- Use Jira for project management, task tracking, and sprint planning in an Agile environment.
- Write and maintain unit tests using Jest to ensure code reliability and reduce bugs in production.
- Mentor and guide team members, fostering collaboration and ensuring project success.
